Key

- S** Set · English and Maths and Science set a weekly homework.
- H** Hand in · MFL sets a weekly homework, alternating between vocabulary practice and written work.
- R** Returned · Geography and D&T set a fortnightly homework.
- Yellow** Holidays · In PE, formal homework is not set, ongoing feedback is given on practical activities
- Yellow** · Some groups in History will be set a fortnightly homework.

In addition to these extended homework projects, subjects may occasionally set additional homework, for example to revise or consolidate a piece of work.

Projects have been given a two week slot to allow for balancing other homework at the same time.

As a guideline a student should spend a minimum of 2 hours on a project.

Students will be reminded every week by their form tutors about the homework, in addition a copy of this timetable and homework projects can be found on the school website.
