

# Meole Brace School

Hello

I would like to give you my personal welcome to our new tutor group; 7SC. I know that the extraordinary circumstances of the last few months will have understandably impacted on the normal excitement of starting the next phase of your education, and some of you may even be feeling apprehensive. I want to assure you that all the staff at MBS are working tirelessly to make sure that when you start in September, you will be happy and safe.

I am looking forward to meeting you all very soon, and to welcome you as part of our Meole Brace family.

I wish you a very relaxing summer break, keep safe and don't worry about anything to do with school; I will look after you.

Best wishes Mr Cox

Headteacher: Alan Doust
