Living with Teenagers

Watch this space..... For dates of the 2011 Living with Teenagers' Course.

This course is always very popular with grandparents, carers and parents, and offers invaluable advice on all aspects of Living with your Teenager!

Volunteer Learning Mentors make a difference!

Volunteer Learning mentors are people from the local community who give their free time to work with students on a one to one basis, raising aspirations, self esteem and overall achievement by empowering and enabling students to reach positive personal decisions with regard to how they organise themselves for school. Having a mentor also allows students to gain a broader view of their life within school and the local community helping them to understand how they can fit into it as an important and valid individual. At Meole Brace School we currently have a large number of trained mentors, from a wide range of backgrounds and professions. If your child would benefit from one to one support with a Volunteer Learning Mentor please speak to their Year Team Leader or phone Louise Parsons on 01743 235264
