**Section A**

Answer this question.

Section A is about designing new products.

You should spend about 30 minutes on this question.

**Research Context:** Bread based snacks

**Design Theme:** Savoury snack and dip products

**1 (a)** On the opposite page, produce **two** design ideas for a new range of savoury snack and dip products.

You **must** annotate your sketches to explain how your design ideas meet each of the design criteria. Do **not** draw any packaging.

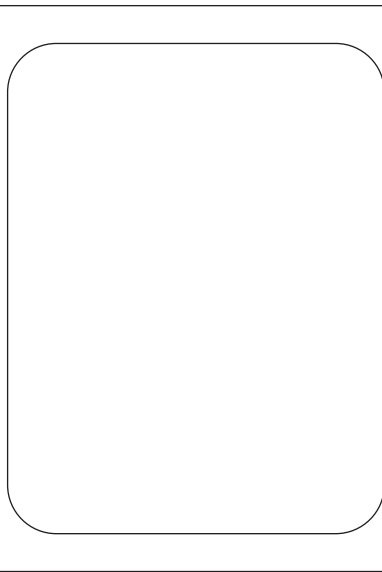

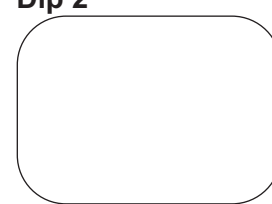

Here are the design criteria for this product.

The product must

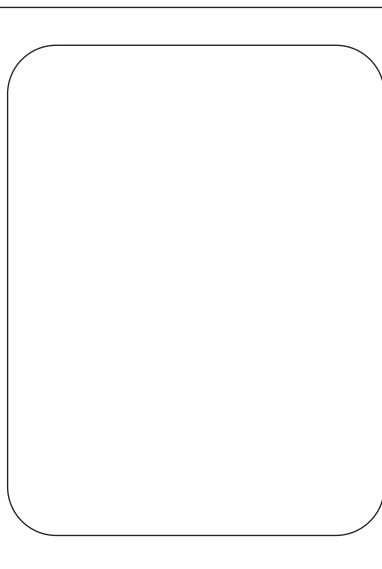

- be a savoury product
- include snacks made from a basic bread mixture
- provide choices for consumers who prefer healthier options
- provide sensory appeal.

**Design idea 1**

<b>Bread based snack</b>		<b>Dip 1</b>  <b>Dip 2</b>
