

Risk Assessment for Child on Child Abuse

The terms victim and alleged perpetrator are used to identify the children involved. NB: there should be no assumption of guilt on the part of the alleged perpetrator, pending investigation.

Each section/question will be considered from the perspective of both pupils. Considerations will be given for the impact on, and needs of, the wider school community. All concerns and proposed actions will be recorded.

This document should be reviewed frequently to ensure it is fit for purpose.

***A risk assessment should be completed for all cases relating to sexual violence or alleged sexual violence. Sexual violence is defined by the sexual offences act 2002 as "criminal acts: rape, assault by penetration and sexual assault".**

***This risk assessment should be completed with reference to Keeping Children Safe In Education, DFE Sexual Violence and Sexual Harassment in schools and colleges and the local West Midlands policy.**
