

# How to log in

Go to this link to access the portal <https://ukstudent.elevateeducation.com/>

Now click on the person icon in the top right hand corner

This will open a login screen – if you have never logged in before, enter your email address and create a password. Please avoid using a Facebook login.

Next time you log in you should only be prompted to provide a password unless you use a different browser in which case you may need to enter your email and password you created earlier.
