

solitary as an oyster

dismal little cell

he was all in a glow

*decrease the surplus
population*

*darkness is cheap
and Scrooge liked it*

*I wear the chain I
forged in life*

*mankind was my
business*

*like a child: yet not so like
a child as like an old man*

*a solitary child,
neglected by his friends*

*laughed all over himself...to
his organ of benevolence*

*Another idol has displaced
me...a golden one*

A jolly giant, glorious to see.

As good as gold

*Scrooge was the ogre of
the family*

*It might be a claw, for the
flesh there is upon it*

*Yellow, meagre, ragged,
scowling, wolfish*

*The phantom slowly,
gravely, silently
approached*

*I will honour Christmas in
my heart and try to keep it
all the year*

I am as light as a feather

*Scrooge was better than his
word. He did it all and
infinitely more*
